About SGI

Shantha Group of Institutions is a premier educational institution in Karnataka located at Chikkaballapura district just 45 min drive for bangalore international airport . SGI offers career oriented programs at graduate & diploma levels. It was established in the year 2012 under the trusteeship of Sri Sai Krishna Charitable Trust. The institution is affiliated with RGUHS, and is recognized by INC, KSNC, PCI, PMCI. The ultimate aim and objective of the institution are to prepare the students for professional medical practice in a variety of settings available in our vast well equipped 100 bedded Parent and 300 bedded affiliated Multi Specialty Hospital. And also the student get good community exposure in various PHCs, CHC's and adopted villages under the Government of Karnataka besides 100% placement in our parent hospital and affiliated hospitals.

Message from the Honourable Chairman

Dear Students & Parents,

I believe that competence, courage, and character are the three vital pillars of the institution and that foundation will give the young minds the core values to nurture and meet the expectations and aspirations of a career they venture in the days to come.

I have a strong belief that education plays a vital role in building the future of an individual that leads ultimately to nation building. Choice of an institute of repute and the right subject plays an important role in the career of a student. Sri Saikrishna Charitable Trust, which started these institutions is committed in providing quality education and building the careers of today's youth to become successful in the global arena.

We hope that you give your best and live life to the fullest.

I am glad to convey that, our Institutions have acquired a state of art infrastructure comprising spacious classrooms with an Audio Visual presentation facility, computer labs with the internet, the best E-Library, indoor outdoor games facilities, canteen, seminar hall, Auditorium etc. All these indeed aimed to transform the students from just with a degree of challenges.

I invite you to be a part of this exciting learning experience at Shantha Group of Institutions.

Dr. K Sudhakar
Honourable Chairman

Message from the Managing Trustee

Dear Students & Parents,

In the echelons of academia, Shantha Group of Institutions has steadfastly stood as a beacon of excellence, illuminating the path towards superior education and unrivalled intellectual evolution. I extend my deepest gratitude for considering our esteemed institution, and I wish to elucidate our unwavering commitment to academic distinction and complete development of the student personality. In this rapidly transforming global milieu, institutions of learning are the vanguards of progress, and it is our sacred duty to Mold the minds that will shape the future.

At Shantha, we don't merely educate; we empower. Our curriculum, while rigorous and globally relevant, is intrinsically designed to foster analytical thinking, cultivate innovation, and instill ethical leadership values in every student. Our distinguished faculty seamlessly integrates theoretical knowledge with pragmatic applications, Supported by avantgarde infrastructure and cutting-edge technology, they are our stall wart pillars, ensuring that our students are well prepared to navigate the complexities of the global professional landscape. In choosing Shantha Group of Institutions, you place faith in our capabilities, and I solemnly assure you that we shall spare no effort in surpassing your expectations. Let us join hands in sculpting a future defined by knowledge, innovation, and success.

Best wishes for the budding stars. Have a great future.

Message from the Director, Dean Academics & Principals

Dear Students & Parents,

Shantha Group of Institutions has a commitment to mold integrated personalities for the great humane task by providing quality education & training in the spirit & attitude of service among learners.

We have the Vision to unfold the potentialities & qualities of each student and

promote innovative, reflective, ethical values and application of all knowledge & skills to individual development and social transformation.

Keeping the dreams high Shantha Group of Institutions has been serving the society. Apart from ISCE school education a couple of Nursing, Pharmacy, Physiotherapy, Allied Health Science, Paramedical Sciences Courses have been Initiated under SGI. Health is a basic need of everybody and knowledge & skills are essential for serving humanity. Our faculties of SGI are prepared with Excellency and with good morality & responsibility to educate the students to become the best Practitioners.

We believe in Individual guidance & group dynamics which help a long way.

The institution maintains a universal value system, scientific programs, Interpersonal relationships, religious & cultural plurality and a democratic operation system which has a strong impact on learners to mold has Universal Human beings.

We extend our Hearty welcome to the young minds to get a place for all around development at SGI.

VISION

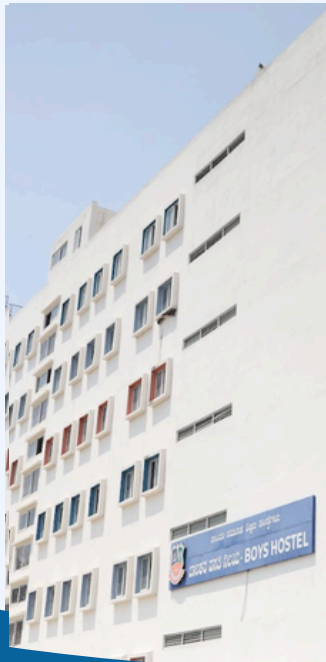

To reach affordable quality education to students from all strata of the society shaping them into ethical, responsible, creative, innovative, and human citizens of global renown, and also to make a frontline contribution in the areas of education, knowledge creation, and youth transformation, placing our society at par with the best in the world.

MISSION

Shantha Group of Institutions is empowering students to fulfill their passion in Universal Health Care profession that is Serene, Unique, Divine, Holistic Approach towards knowledge based Academia and Research. Creating Innovative connection through imaginative programs and transmit the knowledge, wisdom and values to ensure the survival of this and future generations and improve the quality of life for all.

OUR GOAL

- Produce knowledgeable competent medical practitioners with clear critical thinking skills who are caring, motivated, assertive, and well disciplined responding to the changing needs of the profession, healthcare delivery system, and society.
- Prepare graduates to assume responsibilities as professional competent Nurses, Therapists, and Medical Practitioners in providing promotive, preventive, curative, and rehabilitative healthcare services in the hospital or public health settings.
- Prepare experts who can make independent decisions in critical situations within the scope of practice, protect the rights of individuals and groups and conduct research in the areas of practice and apply the evidence based practice.
- Prepare extraordinary professionals to assume the role of the practitioner, teacher, supervisor, and manager in clinical or public health settings.
